COMMENTS FROM COUNCIL/CITIZENS:

CM Cobb asks why we are buying a building and mentions appraisal from auditor's website? Recaps Madison school purchase.

CM Lowery notes he understands Cobb's concerns but feels this is a good move.

CM Cook adds he would like to have more citizen input. Is the city being frugal?

Janelle Zimmerman 219 Prentice: asks about the value vs the asking price. Asks about an elevator and parking.

Bridge notes: auditor's website is not "purchase" appraisal, purchase appraisal is far more than the tax appraisal and it is like that for everything. The asking price was \$160,000. City is paying less. Bridge recaps current building situation... 18 years of paying rent, no room, no storage.

Discussion continue about the building, bringing back diagonal parking on side street, will bring foot traffic to downtown, Council chambers held on first floor. Lowery and VM Lindsey agree this will happen. Bridge reminds Cobb the ordinance to purchase the building as already passed.
