

RESIDENTIAL WASTE AND RECYCLING COLLECTION PROGRAM

The City of New Carlisle has chosen Waste Management to help New Carlisle be as clean - and green - as possible. A cart-based program will help keep the community cleaner and allows for more efficient collection. Please note that all materials must be contained in your carts with this service. There are three tiers of waste services that all include weekly trash and weekly recycling.

REMINDER

Please keep in mind that per the City Ordinance 1060.17 - Garbage and Rubbish Collection and Disposal - all residents must have trash service. Also City Ordinance 1010.07 - Joint Use of Containers - prohibits residents from sharing waste services.
