## State Route 235 to be Improved

The City of New Carlisle and the Ohio Department of Transportation will be resurfacing St. Rt. 235 from just south of Wat-A-Dog to Galewood Drive to the north (as indicated by the blue line). The total project cost is estimated at \$633,110 with the City share being \$115,744. The city will also spend approximately \$217,500 of it's American Rescue Plan funds for curb repair in the immediate downtown area and to reconstruct certain sidewalk ramps for compliance with current ADA requirements. The downtown area will be beautified this season with the addition of flower baskets and a newly paved road!
